Status of the principal investigator

Affiliated reseacher

Any researcher affiliated with a public or private institution under agreement that operates a Quebec hospital center, or with one of the following organizations :

1. Commissaire à la santé et au bien-être;
2. Commission sur les soins de fin de vie;
3. Urgences-santé;
4. Héma-Québec;
5. Institut national d'excellence en santé et en services sociaux;
6. Institut national de santé publique du Québec;
7. Régie de l'assurance maladie du Québec.

At present, the CAR does not serve researchers affiliated with a Québec health and social services institution (OSSS). Please contact your affiliated institution as provided for under the Act respecting health and social services information (LRSSS). You may consult the following link for more information : https://sante.quebec/inc/documents/car-acces_au_car.pdf.

Researcher attached to an academic institution in Quebec but **unaffiliated** as defined above

If you are a researcher affiliated with an academic institution in Quebec (such as a university), you must contact the Institut de la statistique du Québec (ISQ) to access health information for research purposes, unless the information you wish to access is not available in the ISQ data library (see : https://statistique.quebec.ca/fr/services-recherche/donnees).

The desired information is available at the ISQ

ISQ

The desired information is NOT available at the ISQ

Other researcher

Such as a researcher from the private sector, a non-profit organization (NPO), or working outside Quebec.
